To Whomsoever it may concern

Sub: Internship Experience Letter

Jonathan Reggie Ebenezer has been working in our organization from 01st July 2022 to 05th October 2023 as an intern in Mechanical CAD design and prototyping.

His performance during the internship has been appreciated and his contribution to the organization has always been valued. His skills in CAD design, 3D rendering, and animation was good. Work Ethics and time management are quite appreciable.

We wish him all the best in his future endeavors.

Yours sincerely,
